

DataBased - Customer Maintenance User Guide

Creating a customer

To add a customer to the system using the interface, follow the steps below -

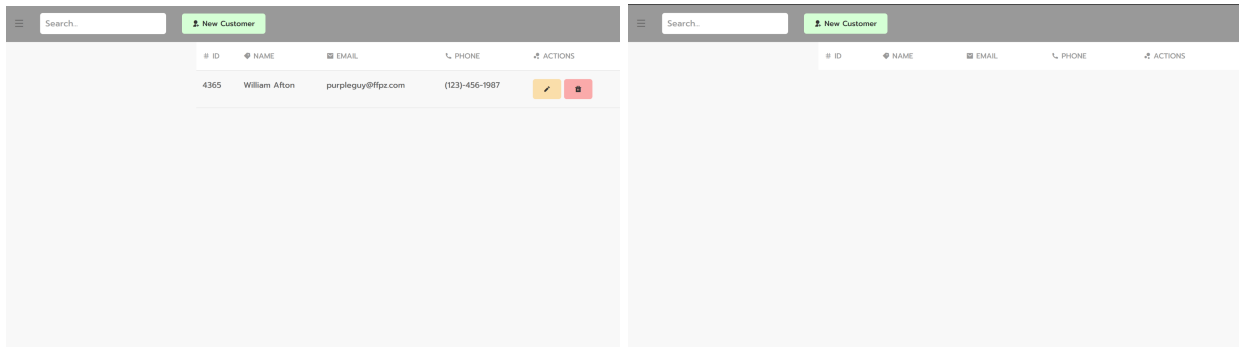

1. Click on the “New Customer” button.
2. The customer creation menu will appear. You may enter the following information:
 - a. First Name
 - b. Last Name
 - c. Email Address
 - d. Phone Number
3. When you are finished, click on the “Add Customer” button.

Deleting a customer

To delete a customer from the system using the interface, follow the steps below -

1. Click on the trash can button in the desired customer's row (located on the right).
2. The user will be deleted.

Viewing a customer's information

To view a customer's information using the interface, follow the steps below -

1. Once the customer has been added to the system, they appear as a row in the table on screen.
2. Click on the desired customer's row.
3. Their information will appear on the left-hand side of the screen.

The image displays two side-by-side screenshots of a web application interface for managing customers.

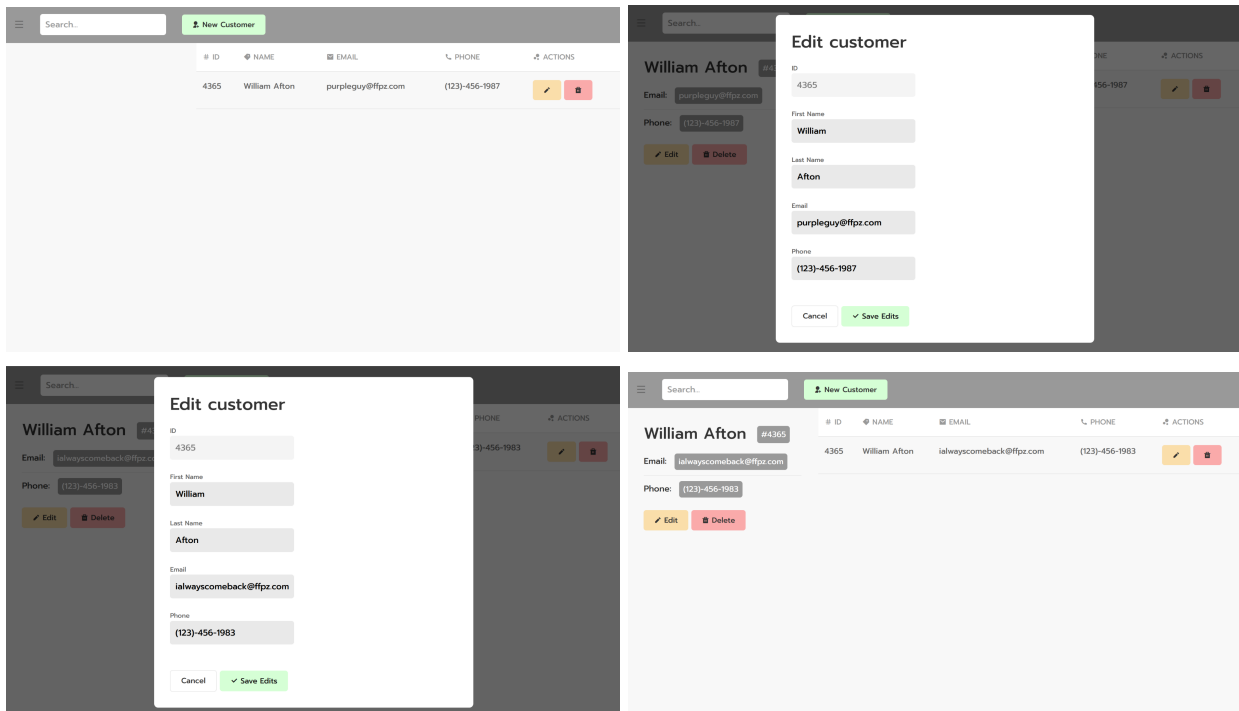

Left Screenshot (Detailed View): This view shows the details for a customer named "William Afton" (ID: #4365). The interface includes a search bar, a "New Customer" button, and a table with columns: #, ID, NAME, EMAIL, PHONE, and ACTIONS. The customer's information is displayed below the table, including their email (purpleguy@ffpx.com) and phone number ((123)-456-1987). At the bottom, there are "Edit" and "Delete" buttons.

Right Screenshot (Table View): This view shows the same interface but with the table of customers expanded. The table contains one row for William Afton (ID: 4365). The "ACTIONS" column for this row contains "Edit" and "Delete" buttons. The detailed view on the left is not visible in this screenshot.

Editing a customer's information

To edit a customer's information using the interface, follow the steps below -

1. Click on the pencil button in the desired customer's row (located on the right).
2. The customer edit menu will appear.
3. You may re-enter (or leave untouched) the following information:
 - a. First Name
 - b. Last Name
 - c. Email Address
 - d. Phone Number
4. When you are finished, click on the "Save Edits" button.

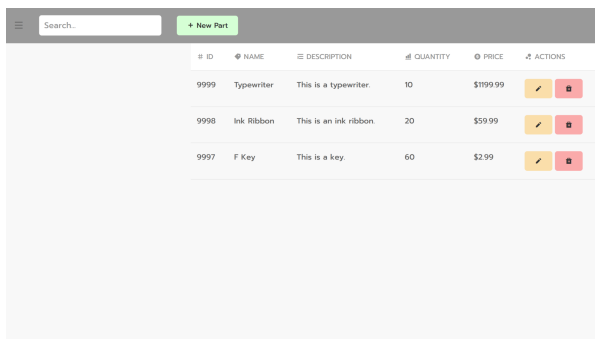

DataBased - Catalog Maintenance User Guide

Creating a part

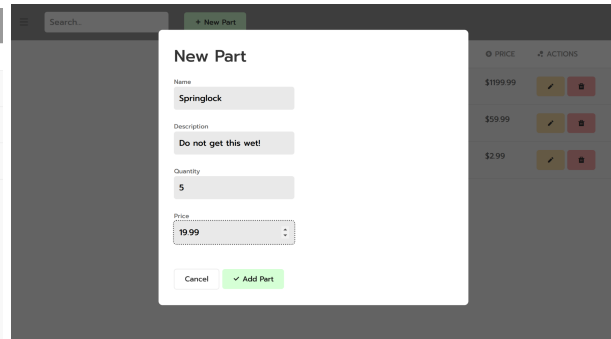

To add a part to the system using the interface, follow the steps below -

1. Click on the “New Part” button.
2. The part creation menu will appear. You may enter the following information:
 - a. First Name
 - b. Last Name
 - c. Email Address
 - d. Phone Number
3. When you are finished, click on the “Add Part” button.

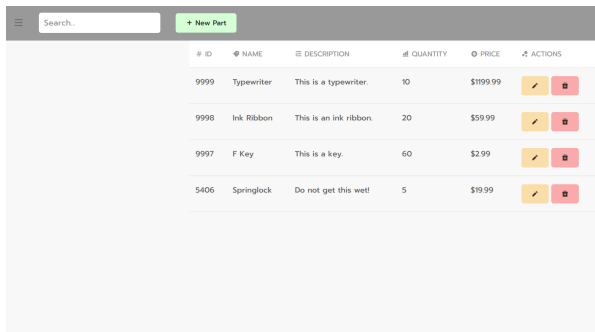

The screenshot shows the top section of the DataBased interface. At the top left is a search bar labeled 'Search...'. To its right is a green button labeled '+ New Part'. Below these is a table with the following columns: # ID, NAME, DESCRIPTION, QUANTITY, PRICE, and ACTIONS. The table contains three rows of data:

# ID	NAME	DESCRIPTION	QUANTITY	PRICE	ACTIONS
9999	Typewriter	This is a typewriter	10	\$199.99	[Edit] [Delete]
9998	Ink Ribbon	This is an ink ribbon	20	\$59.99	[Edit] [Delete]
9997	F Key	This is a key	60	\$2.99	[Edit] [Delete]

The screenshot shows the 'New Part' modal form. It has a title 'New Part' and four input fields: Name (with the value 'Springlock'), Description (with the value 'Do not get this wet!'), Quantity (with the value '5'), and Price (with the value '19.99'). At the bottom of the form are two buttons: 'Cancel' and a green button labeled '+ Add Part'.

The screenshot shows the bottom section of the DataBased interface, which is identical to the top section but with an additional row in the table:

# ID	NAME	DESCRIPTION	QUANTITY	PRICE	ACTIONS
9999	Typewriter	This is a typewriter	10	\$199.99	[Edit] [Delete]
9998	Ink Ribbon	This is an ink ribbon	20	\$59.99	[Edit] [Delete]
9997	F Key	This is a key	60	\$2.99	[Edit] [Delete]
5406	Springlock	Do not get this wet!	5	\$19.99	[Edit] [Delete]

Deleting a part

To delete a part from the system using the interface, follow the steps below -

1. Click on the trash can button in the desired part's row (located on the right).
2. The user will be deleted.

#	ID	NAME	DESCRIPTION	QUANTITY	PRICE	ACTIONS
	9999	Typewriter	This is a typewriter.	10	\$1199.99	 
	9998	Ink Ribbon	This is an ink ribbon.	20	\$59.99	 
	9997	F Key	This is a key.	60	\$2.99	 
	5406	Springlock	Do not get this wet!	5	\$19.99	 

Viewing a part's information

To view a part's information using the interface, follow the steps below -

1. Once the part has been added to the system, they appear as a row in the table on screen.
2. Click on the desired part's row.
3. Their information will appear on the left-hand side of the screen.

Editing a part's information

To edit a part's information using the interface, follow the steps below -

1. Click on the pencil button in the desired part's row (located on the right).
2. The part edit menu will appear.
3. You may re-enter (or leave untouched) the following information:
 - a. First Name
 - b. Last Name
 - c. Email Address
 - d. Phone Number
4. When you are finished, click on the "Save Edits" button.

The image displays two screenshots of a web application interface for managing parts.

Top Left Screenshot: Shows a table of parts with columns: ID, NAME, DESCRIPTION, QUANTITY, PRICE, and ACTIONS. The table contains four rows of data. The 'Springlock' part (ID 5406) is highlighted, and its 'Edit' button (pencil icon) is visible in the ACTIONS column.

ID	NAME	DESCRIPTION	QUANTITY	PRICE	ACTIONS
9999	Typewriter	This is a typewriter.	10	\$199.99	[Edit] [Delete]
9998	Ink Ribbon	This is an ink ribbon.	20	\$59.99	[Edit] [Delete]
9997	F Key	This is a key.	60	\$2.99	[Edit] [Delete]
5406	Springlock	Do not get this wet!	5	\$19.99	[Edit] [Delete]

Top Right Screenshot: Shows the 'Edit Part' modal for the 'Springlock' part. The modal contains fields for Name, Description, Quantity, and Price. The 'Name' field is set to 'Springlock', the 'Description' field is set to 'Do NOT get this wet!', the 'Quantity' field is set to 7, and the 'Price' field is set to \$17.99. The modal also includes 'Cancel' and 'Save Edits' buttons.

Bottom Left Screenshot: Shows the 'Springlock' part selected in the table, with its details (Name, Price, Quantity) expanded on the left side. The 'Name' field is set to 'Springlock', the 'Price' field is set to \$17.99, and the 'Quantity' field is set to 7. The 'Edit' and 'Delete' buttons are visible below the details.
